

30-Day Use Data

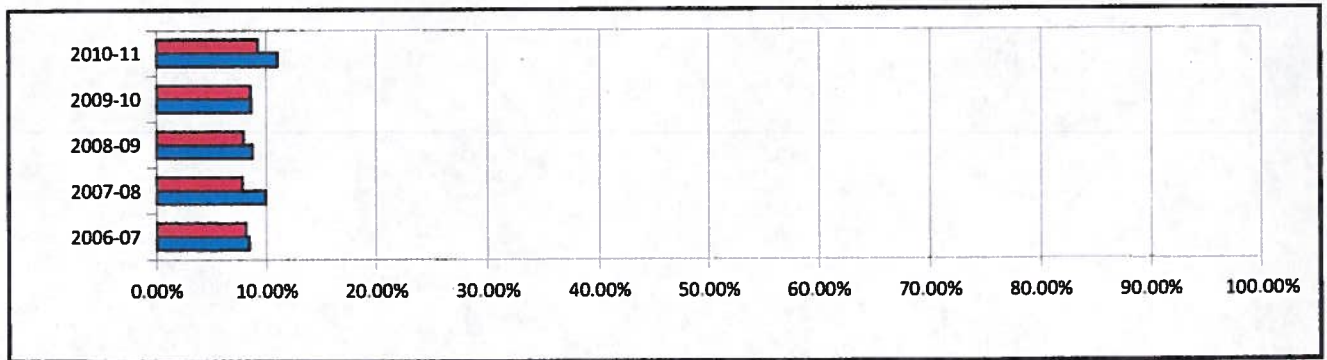

In this section of the report, you will find 30-day use profiles. Trends for the noted behavior are illustrated for all grades (6th, 8th, 10th, and 12th combined) as indicated by year. This report contains information representing the percentage of students who responded one or more times to having used the following substances within the last 30 days.

KS State Data ■ District Data ■

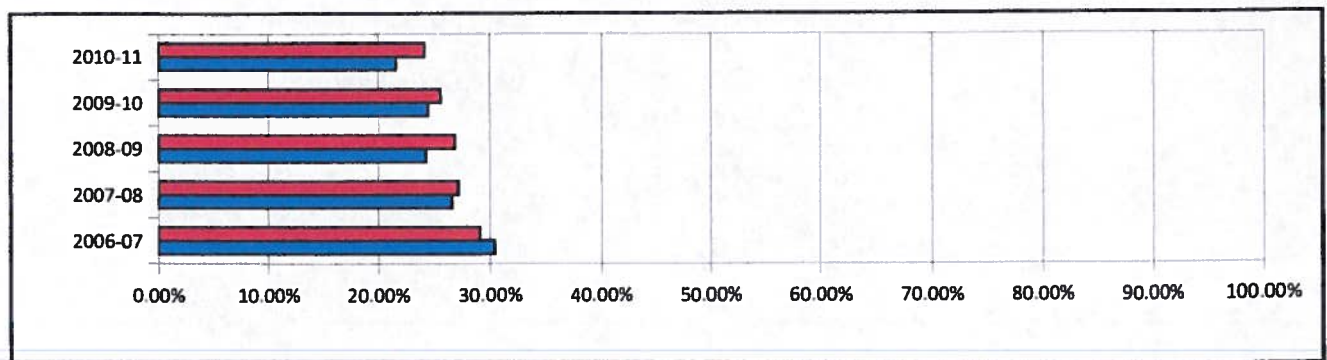

Percentage of students who reported smoking cigarettes one or more times in the past 30 days

Percentage of students who reported smoking marijuana one or more times in the past 30 days

Percentage of students who reported use of alcohol one or more times in the past 30 days

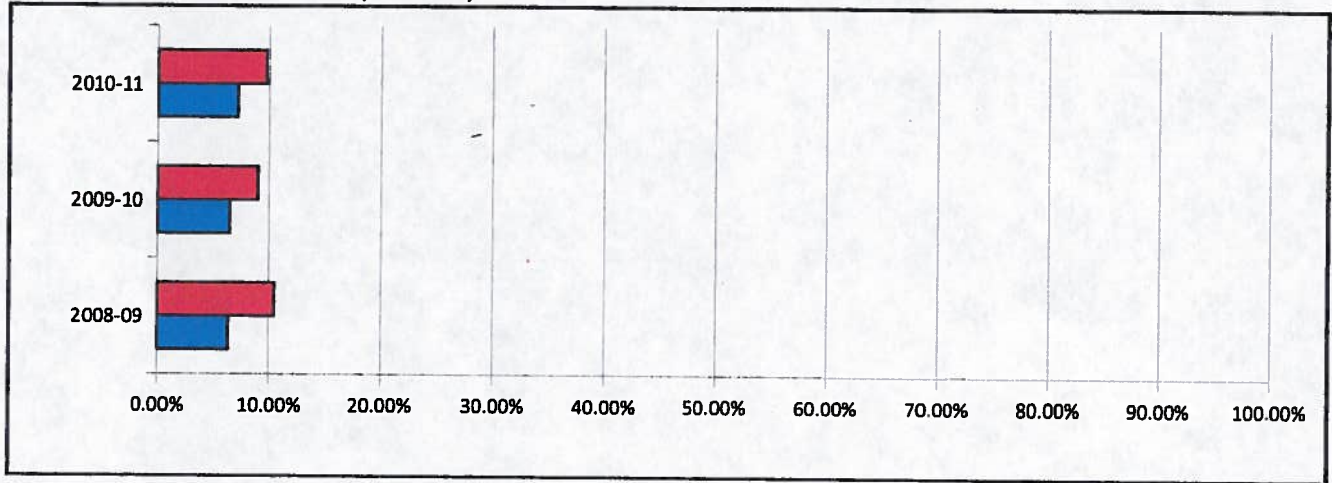

Bullying Data

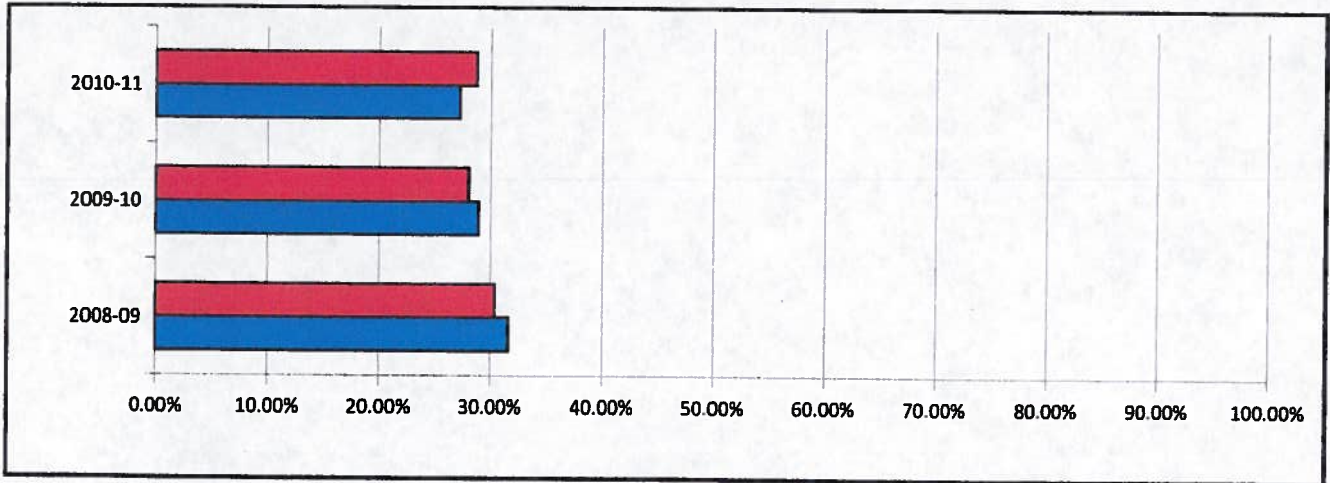

In this section of the report, you will find bullying profiles. This report contains information regarding 2011 student opinions and perceptions on bullying at school. The bars represent the percent of students who reported yes (sometimes, regularly, or everyday) to the question listed beneath it.

KS State Data ■ District Data ■

During the past year, how often did you miss school because you felt unsafe, uncomfortable or nervous at school or on your way to or from school?

During this school year, how often have you been bullied at school?

During this school year, how often have you seen someone being bullied?
