

## ANDOVER HIGH SCHOOL BOOSTER CLUB 2009--2010 SCHOOL SUPPLY SALE

The Andover High School Trojan Family Booster Club (TFBC) will be selling prepackaged, shrink-wrapped school supplies for the 2009-2010 school year as a service for busy parents. The booster club is a community-based organization for parents, teachers, alumni and friends that provide support for AHS activities. **For each package sold, \$1.00 will be given to your school/PTO. The remaining proceeds will benefit activities at AHS.**

**How does the TFBC know what my child needs?** The District office works with teachers and school administrators to compile a list of supplies that your child will need for a successful school year.

**How do I purchase a package for my child?** Order forms will be distributed in Friday folders, through school offices, and on the District website (click on your child's school). The prices will vary from grade level to grade level due to the difference in items included. In addition to the convenience of pre-packaged school supplies, prices are competitive with area retailers. In order to provide the lowest possible cost, payment is necessary with the order form. Payment is accepted by check and is payable to AHS Booster Club.

**Are these quality supplies?** Teachers typically request brand name items, such as Crayola crayons, Elmer's glue, and Fiskars scissors. Our supplier has been in business for 30 years and serves many area districts. The quality of all items is guaranteed.

**When will my child receive the supply package?** Supplies will be available in August. Information regarding a pick up location and date will be posted on the district website and an email reminder sent to those who ordered.

**Can I buy these supplies in August?** To provide the lowest possible price, we can only offer this convenient opportunity until May 1st.

**How do I help a child in need of school supplies?** Simply add the amount you would like to donate on the order form where indicated "Donation for children in need of supplies". Choose the amount you wish to donate & the funds will purchase packages for students in our district who might not otherwise have supplies.

For questions, please contact the AHS Booster Club School Supply Committee:
