

Boundary Committee

Requests for information

Some of this information is available, some is being worked on, and some simply may not be available.

- Free/Reduced lunch - Broken down by neighborhood
- Ages of students in each neighborhood
- Data by class by where they live (Rick @ the City) Lay an overlay and make PDF
- Raw numbers from each class
- Free/Reduced rates per building
- Add Special Programs to the capacity of each building; FAA Elem, MS, HS, eCademy, Pre-K At Risk, Early Childhood
 - Special Ed Data (rooms needed and numbers)
 - Which facilities have the space to house SPED population?
- Class size data at all levels
 - Class sizes and number of sections per grade at each building
- **How many current homes are for sale? If there are a lot of homes sitting empty and they start to sell then the numbers will change.**
 - **Number of homes for sale**
- **Number of households on each side.**
- **Ages of neighborhoods**
- What companies do most people work for in each neighborhood.
- Butler Community College lease expires when?
- How many year fix are we looking at? If we balance things out for next year, we could be back at the table in three years. Do we need to overcompensate?
- Which elementary schools could be added on to in the most efficient and fiscally responsible way?
- Any school board policy that may affect decision of committee?
- How does open enrollment work in other districts?
- Third High School (?)
- Timeline for change – When would these boundaries take effect.
